The Modern Money Network
MMN is an independent, non-partisan, global, student-driven non-profit organization.

MMN’s aims to:
1) Identify, bring together, and provide a shared space for students, scholars, professionals and members of the public to discuss, debate and refine ideas about money and finance;
2) Collect, organize and present cutting-edge scholarship and learning materials in an accessible and rigorous way, and
3) Build the capacity of affiliated individuals, institutions and networks to solve monetary and financial problems.
